

BIO-THERAPEUTIC

Skin Care for life inside and out™

South African born Josette Eales moved to Los Angeles in 2013 following a successful career in film and television. Most noted for her series regular role on South Africa's most critically acclaimed show, THE WILD. Eales is a seasoned theatre actress, working 8 years professionally in the theatre industry before beginning in TV and Film. She spent time in the UK with the Royal Shakespeare Company after winning the Brett Goldin Bursary for acting, and has experience in directing and producing theatre, having owned and run her own theatre production company in South Africa. She recently wrapped filming on Adam Sandler's new film BLENDED with Drew Barrymore.
