Skin Care for life inside and out™

Results Oriented Technology Facial

We will discuss how our layered technology service brings new clients to your practice by delivering serious results. Learn how to strategically place each technology for optimal benefit for any skin type and condition. You will discover how to combine wet/dry microdermabrasion with AIR, microcurrent, and LED along with the appropriate bT-Ceuticals® to make it all happen. **Register today!**

Dates: Mon June 1st 10am, Mon Aug 3rd 10am

Bio-Therapeutic Award Winning bT-Ceuticals®:

Which product do I use, retail...and when and where?

This class offers a robust accounting of each product and its use, according to skin type and condition. It provides a quick overview of how to select products for use in services and which ones to send home with the client to maintain results and loyalty.

Learn about our retail package bundles, how to get in with no minimum buy in, and choose from a complete set of *merchandise ready* products that will light up your retail area and will ignite interest the moment you put them front and center.

Dates: Mon July 6th 10am Mon Sept 14th 10am Mon Oct 5th 10am
Mon Nov 2nd 10am Mon Dec 7th 10am

bt-GEAR®: Express Services Lead to BIG Business:

Time Valued Customized Services for Busy People

This class shows how to use Award Winning bt-GEAR® hand held tools in **Express Services** to attract a new customer base...for whom time is of the essence. Learn how to customize a brief, effective, informative service, which includes a home care regimen, and product knowledge all in half the time. At Bio-Therapeutic, located in SODO in Seattle, WA, near Starbucks HQ, Amazon and Real Networks, we serve many busy people just like you do. Between overscheduled, busy moms, and busy corporate types trying to find 15 minute for lunch, we will show you how to maximize their time (and yours), and to share simply which products to take home, while booking their return visit. **Register now for this class!**
