

Skin Care for life inside and out.™

Success Your Way! What's Next for Your Business?

Presenters: David Suzuki and Sallie Deitz

At Bio-Therapeutic we have been inspired by the tremendous creativity and resilience of clients worldwide, and we know right inside your business door exists the answers to continued success. David Suzuki, President of Bio- Therapeutic, shares how to keep your brand fresh and exciting for you, and your clients. Learn about technology pairings that provide optimum results, while saving time and making skin care simple and easily understood by the consumer.

From business planning, to increasing product sales, and finally maximizing technology offerings, find out about improving your ROI.

- See how to add “must have” splash products into your existing retail area
- Hear about making your salon, spa, or clinic the “go to” for all skin care and results oriented facials
- Watch LIVE demonstration during presentation
